*Payable Quarterly.*

*Admiralty, June 22, 1821.*

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (stating the date their last letter of leave

bore) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

*Admiralty, 20th April, 1820.*

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

J. W. CROKER.

*Admiralty, 4th January, 1811.*

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

N.B. Affidavits taken before Masters Extraordinary in Chancery cannot be admitted; and the Officers should be careful, that any Justice of the Peace or Magistrate of a Town or Corporation, attesting the Affidavit, should sign himself as such.

JOHN SMITH, Paymaster of the Navy.

*Admiralty, 11th January, 1832.*

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Affidavits; the Commissioned and Warrant Officers of His Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Affidavits to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

GEORGE ELLIOT.

*Admiralty, 15th November, 1833.*

# TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Pursers.

Masters.

Surgeons.

2d Class.—Lieutenants at 5s. and under.

3d Class.—Lieutenants at 6s. and 7s.; and

Chaplains.

4th Class.—Admirals.

Captains.

Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their affidavits should be delivered into the Wages-Office, at the Admiralty Office, Somerset-House, or forwarded to the Secretary of the Admiralty, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their affidavits as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Arrangements are in progress which it is expected will admit of the payment of Half-Pay always commencing on the tenth day after the end of each quarter, instead of at the uncertain and more distant periods heretofore customary—of which, however, due notice will be given when the next quarter's Half-Pay is advertised.

By command of their Lordships,

JOHN BARROW.

BY THE KING.

And We do direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be final and have the same force and effect as if specially provided for in this Our Royal Proclamation.

Provided always, and We do hereby direct, that the distribution hereinbefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We do hereby, lastly, direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which will be made after that day, and shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said former Proclamation and Order respectively.

Given at Our Court at St. James's, the Nineteenth day of March, one thousand eight hundred and thirty-four, and in the fourth year of our reign.

Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at Carlton House, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS by an Act passed in the Fifty-ninth Year of the Reign of His late Majesty King George the Third, Chapter 25th, intituled *An Act to enable His Majesty to fix a Rate and direct the Disposal of Freight Money for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels*, it is enacted, that from and after the Eighth Day of April One thousand eight hundred and nineteen, all Freight Money to be paid for the Conveyance, on board any of the Ships and Vessels of His Majesty, of Gold, Silver, and Jewels, or of any other Article which

may by special Order be received on board, and for which Freight shall be payable, shall be paid at such Rate, and be distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such manner, as His Majesty, His Heirs and Successors, should from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; in pursuance of which Act a Proclamation was, on the Twelfth Day of July following, made and issued by His Royal Highness the then Prince Regent, in the Name and on the Behalf of His said Majesty, whereby, amongst other things, a Scale of Rates at which Freight should be payable for Public and Private Treasure respectively, in Peace and War, and for different Voyages, was fixed and established: And whereas We have thought fit to order that the said Rates should be altered; We have therefore, by and with the advice of Our Privy Council, deemed it expedient to issue this Our Royal Proclamation, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the said Scale of Rates so fixed shall cease and be no longer in force; And We do further declare, That from thenceforth the following Rates shall be established during Peace and War;

For any Distance of Two thousand Leagues and upwards.	1	$1\frac{1}{2}$	2

And it is further established and declared, That such Freight shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their Liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth Day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

BY THE KING.

*Art. 4.*—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

*Art. 5.*—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of debility contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of injury or debility, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

*Art. 6.*—In any of the cases in Articles 3, 4, and 5, if any Man shall become totally blind, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

*Art. 7.*—An Ordinary Seaman shall receive three-fourths, a Landsman two-thirds, and a

Boy one-half of the Pensions or Allowances hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

Art. 8.—The following Petty and Non-Commissioned Officers, in addition to the Rates of

Pension to which they may be entitled under Articles 2, 3, 4, and 6, as Seamen, or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz. :—

Quartermaster-Serjeants, and Serjeant-Majors, who have served Three Years and upwards, and discharged with those Ratings after Twenty-one Years Service, Twopence *per diem*, in addition to whatever Pensions they may be entitled to.

Art. 9.—Persons discharged with disgrace, or for offences, or by sentence of a Court-Martial, are not entitled to any Pension; and all Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the Pensioner, to be judged of by the Lords Commissioners of the Admiralty; and if any Deserter shall be re-taken, or shall re-enter His Majesty's Service, he shall commence a new time from such re-entry, and shall not be entitled to reckon any time preceding such desertion or running.

Art. 10.—All Men invalided from His Majesty's Service, whether Pensioners or not, who re-enter the Service, must produce their Invaliding Certificates or Pension Tickets, at the time of their re-entry, to the Captain and Surgeon of the Ship, in order that their cases may be fully known; and if they neglect to do this, or do not assign a sufficient reason for not doing so, they forfeit all claim to an increase of Pension for subsequent service.

Art. 11.—All claims to Pensions should be brought forward before the expiration of Six Months after the Individual is discharged from His Majesty's Service.

Art. 12.—Pensioners who shall not have been discharged as wholly incapable, or for having served Twenty-one years or upwards, or whose age shall not exceed Fifty years, may forfeit their Pensions by neglecting or omitting to attend at such Port or place, and at such time, as shall, in time of War, or in prospect of a

War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the Admiralty, or by neglecting or refusing to serve his Majesty in such manner as to the said Lords Commissioners may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by the said Lords Commissioners.

As a further encouragement to good Men to continue in the Service, and to behave with propriety, His Majesty has been pleased to command, that at the expiration of every three years any of His Majesty's Ships shall be in Commission, the Captain or Commander of such Ship may send to the Admiralty the name or names of any Petty-Officer or Seaman, or Non-Commissioned Officer or Private of Marines, (not exceeding in number one for every hundred of the Crew,) who may be on board such Ship, having served *above twenty-one years*, who shall have behaved invariably well in such Ship, and be in possession of Certificates of good conduct throughout his former service, and be in the Captain's opinion in every respect deserving to be so rewarded; when the Person or Persons so reported by the Captain or Commander shall be paid a Gratuity, in addition to all other allowances, of Fifteen Pounds if a 1st Class Petty-Officer, or Sergeant of Marines, of Seven Pounds if a 2nd Class Petty-Officer, or Corporal of Marines, and of Five Pounds if an Able Seaman, or Private of Marines; but to

entitle the 1st Class Petty-Officer, or Sergeant of Marines, to the Fifteen Pounds, he must have served as such Ten years, and to entitle the 2nd Class Petty-Officer, or Corporal of Marines, to the Seven Pounds, he must have served Seven years as such, otherwise they can only be paid as Able Seamen, or Privates of Marines. And all men receiving the said Gratuity will be afterwards entitled to wear a Silver Medal the size of a half-crown, at the third button-hole of their jackets, having on one side of it the words "For Long Service and Good Conduct," and on the other "an Anchor and Crown."

By Command of their Lordships,

GEORGE ELLIOT.

The other restrictions specified in the said Article continue in force.

REGULATIONS FOR THE ADMISSION OF STUDENTS INTO THE ROYAL NAVAL COLLEGE AT PORTSMOUTH.

The Number of Students in the Royal Naval College is not to exceed One Hundred in time of War, nor Eighty in Peace, of whom one half are to be the Sons of Commissioned Officers of the Navy or Army, and the other half of Civilians.

The Sons of Officers hereafter admitted will be required to pay for Board and Education as follows:—

Of Flag and General Officers.....	80l.
Captains of the Navy, Colonels, and Lieutenant-Colonels.....	70l.
Of Commanders, and all below that rank, and Majors.....	50l.

The Sons of Officers, of whatever rank in either service, who have lost their fathers, 40l. per annum; and the Sons of Officers, of whatever rank, whose fathers have died in actual service, and whose families have been left in pecuniary distress, 20l. per annum.

The Sons of Civilians are to pay the sum of 125l. per annum.

No Candidate shall be eligible for admission to the Naval College, until he has attained the age of 12 years, nor after he has completed that of 13 years.

Every Candidate for admission must, at the

time of his application, transmit to the Secretary of the Admiralty, a Certificate of the day of his birth, and immediately on his attaining the age of 12 years he must also transmit a Certificate of his good moral conduct from the Master or person under whom he was last instructed; or if he has used the sea, from the Captain under him whom he last served. No Candidate will be considered eligible, nor will the order for his admission be given in any case, until both Certificates are lodged at the Admiralty.

Every Candidate for admission will be expected to know perfectly the first four rules of arithmetic, Reduction, and the Rule of Three.

He will be expected also to be able to write English from dictation, and to construct English sentences.

And it is recommended that every Candidate should have in his memory the definitions, axioms, and postulates, in the beginning of Euclid's Elements, by R. SIMSON.

The parents or friends of every Student shall pay in to the Office of the Accountant-General of the Navy in London, the amount of the sum that may be due at every vacation, either before the next succeeding meeting of the College, or within one month after such meeting; in default of which the Student's time of servitude will not be allowed to go on.

Every Student, at the end of two years, shall be discharged into one of His Majesty's ships, not being a guard ship; and the time of residence in the College shall be reckoned as not more than one year's service at sea, or as such portion of one year's service at sea as may be proportioned to the progress, which he shall actually have made in his education—the time so allowed to be certified by the Officers appointed to examine the Students on their leaving College; and the remaining five years necessary to qualify the Student for the commission of Lieutenant to be actually passed at sea, or in a sea-going ship.

Any Student, whose conduct shall be such as to render his expulsion from the College necessary, will never be allowed to enter into His Majesty's naval service.

The parents and guardians of such young gentlemen as may be admitted into the Naval College, are particularly desired to take notice, that, at the expiration of two years, all Students will be discharged from the College, into such of His Majesty's ships and vessels, as the Lords Commissioners of the Admiralty shall think fit; and that when such ships are paid off, those who have attained the rating of Midshipmen will not be re-appointed by their Lordships to other ships, but must apply to Captains or Commanders in Commission for such re-appointment, in order to complete the remainder of their servitude to qualify them for the commission of Lieutenant:—In consequence of which arrangement, no bond will in future be required that such Students shall not be withdrawn or discharged at their own request from the naval service.

*Admiralty, 18th December, 1833.*

are to be selected from among the Mates who have passed both examinations, if serving at home, or for seamanship, if serving abroad, one complete year—or from College Midshipmen; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to Mates or Midshipmen forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

**Art. 3.**—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority: but, in the event of there being more Admiralty or College Midshipmen unemployed than can be provided for under the regulation in the foregoing article, their Lordships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

**Art. 4.**—The numbers of Volunteers of the 1st Class, and of College Volunteers, in each Rate, are in future to be as follows: and the former may be appointed by the Captains and Commanders of His Majesty's Ships, on obtaining the approbation of the Lords Commissioners of the Admiralty.

**Art. 5.**—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

**Art. 6.**—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, *they may be rated and borne as Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen: but their vacancies are not to be filled up in the Volunteers' Class so long as they remain Extra Midshipmen.

**Art. 7.**—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-

in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

**Art. 8.**—A Return from every Ship, according to the established form, is to be transmitted quarterly to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

**Art. 9.**—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief: but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief, without reference to their Lordships.

**Art. 10.**—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

GEORGE ELLIOT.

Ships now in commission are not to be allowed any fresh entry of Volunteers into the Service.

*Admiralty, 17th January, 1825.*

In pursuance of His Majesty's Order in Council of the 20th November, 1824, Notice is hereby given, that all Officers of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Affidavit, the Place of their residence at the date of each Affidavit.

J. W. CROKER.

*Navy Pay Office, 18th January, 1825.*

By Order of the Admiralty, after a reasonable lapse of time for the promulgation of the above Notice, no Affidavit is to be received which shall not have the Officer's Residence stated thereon, as above directed.

By the Order in Council of the 18th December, 1824, Affidavits for Half-Pay can only be made before the under-mentioned Officers, named in the Act of 1st George I. cap. 23, sec. 9 and 10.

One of the Commissioners or Secretaries of the Admiralty,  
Superintendents of the Dock-yards, Victualling and Medical Establishments, or  
A Justice of the Peace or Magistrate.

Officers residing abroad must make their Affidavit before one of His Majesty's Ministers,

Secretary of Embassy or Legation, or Consul ; or where there shall be no such Minister, &c., before some Magistrate, or other Person competent to take Oaths in such Places ; and the Address must be given at the foot of the Signature to the Affidavit.

N.B. Affidavits taken before Masters Extraordinary in Chancery cannot be admitted : and the Officers should be careful, that any Justice of the Peace or Magistrate of a Town or Corporation, attesting the Affidavit, should sign himself as such.

JOHN SMITH, Paymaster of the Navy.

*Admiralty, 11th January, 1832.*

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Affidavits ; the Commissioned and Warrant Officers of His Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Affidavits to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

GEORGE ELLIOT.

*Admiralty, 15th November, 1833.*

# TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows :—

- 1st Class.—Pursers.  
Masters.  
Surgeons.
- 2d Class.—Lieutenants at 5s. and under.
- 3d Class.—Lieutenants at 6s. and 7s. ; and  
Chaplains.
- 4th Class.—Admirals.  
Captains.  
Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their affidavits should be delivered into the Wages-Office, at the Admiralty Office, Somerset-House, or forwarded to the Secretary of the Admiralty, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their affidavits as required by the usual advertisement ; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Arrangements are in progress which it is expected will admit of the payment of Half-Pay always commencing on the tenth day after the end of each quarter, instead of at the uncertain and more distant periods heretofore customary —of which, however, due notice will be given when the next quarter's Half-Pay is advertised.

By command of their Lordships,

JOHN BARROW.

BY THE KING.

considered to continue under the command of the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by, some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each flag-officer under whose orders the ships or vessels are, shall receive such proportion of the flag share to which he shall be entitled according to the number of ships belonging to each respectively.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We do hereby further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And We do hereby further direct, that when such lists shall have been duly examined with the muster books of such ships or vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated and appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall otherwise be aiding and assisting to the said agents in all such matters as shall be necessary.

And We do direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be final and have the same force and effect as if specially provided for in this Our Royal Proclamation.

Provided always, and We do hereby direct, that the distribution hereinbefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We do hereby, lastly, direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which will be made after that day, and shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said former Proclamation and Order respectively.

Given at Our Court at St. James's, the Nineteenth day of March, one thousand eight hundred and thirty-four, and in the fourth year of our reign.

GOD SAVE THE KING.

B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thereonward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at Carlton House, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. Croker.

All corrections, arising from surveys in progress, will be notified to the agent for immediate insertion, so that the Charts and Direc-

*Admiralty, 7th May, 1830.*

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane, Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of Naval

Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a gold medal, once in every two years, on such Two Medical Officers, whether, *Surgeons*, or *Assistant-Surgeons acting as Surgeons*, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 12th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 12th of July, 1827, and the 12th of July, 1831; and the subsequent selections will be made from those delivered within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

### GREENWICH OUT PENSIONS.

REGULATIONS FOR GRANTING OUT-PENSIONS FROM GREENWICH HOSPITAL, TO THE WARRANT AND PETTY OFFICERS HEREIN MENTIONED, AND TO SEAMEN AND ROYAL MARINES, ESTABLISHED BY HIS MAJESTY'S ORDER IN COUNCIL OF 24 AUGUST, 1831.

**Article 1.**—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Gunner, Boatswain, and Carpenter (when not entitled to Superannuation), Mate, Midshipman, Master's-Assistant, Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from His Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, *per diem*, according to the bodily injury sustained by the party.

**Art. 2.**—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for wounds or hurts received in *Action*, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings *per diem*; but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence *per diem*; if able to contribute in a small degree to his livelihood,

from Ninepence to One Shilling *per diem*; and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

**Art. 3.**—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than three years at any time.

**Art. 4.**—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for *sickness* or *debility contracted in the Service*, or for *wounds or hurts* received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

**Art. 5.**—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of *debility contracted in the service*, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of *injury* or *debility*, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

**Art. 6.**—In any of the cases in Articles 3, 4, and 5, if any Man shall become *totally blind*, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

**Art. 7.**—An Ordinary Seaman shall receive three-fourths, a Landsman two-thirds, and a Boy one-half of the Pensions or Allowances

hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

Art. 8.—The following Petty and Non-Commissioned Officers, in addition to the Rates of

Art. 9.—Persons discharged with disgrace, or for offences, or by sentence of a Court-Martial, are not entitled to any Pension; and all Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the Pensioner, to be judged of by the Lords Commissioners of the Admiralty; and if any Deserter shall be re-taken, or shall re-enter His Majesty's Service, he shall commence a new time from such re-entry, and shall not be entitled to reckon any time preceding such desertion or running.

Art. 10.—All Men invalided from His Majesty's Service, whether Pensioners or not, who re-enter the Service, must produce their Invaliding Certificates or Pension Tickets, at the time of their re-entry, to the Captain and Surgeon of the Ship, in order that their cases may be fully known; and if they neglect to do this, or do not assign a sufficient reason for not doing so, they forfeit all claim to an increase of Pension for subsequent service.

Art. 11.—All claims to Pensions should be brought forward before the expiration of Six Months after the Individual is discharged from His Majesty's Service.

Art. 12.—Pensioners who shall not have been discharged as wholly incapable, or for having served Twenty-one years or upwards, or whose age shall not exceed Fifty years, may forfeit their Pensions by neglecting or omitting to attend at such Port or place, and at such time, as shall, in time of War, or in prospect of a

War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the Admiralty, or by neglecting or refusing to serve His Majesty in such manner as to the said Lords Commissioners may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by the said Lords Commissioners.

As a further encouragement to good Men to continue in the Service, and to behave with propriety, His Majesty has been pleased to command, that at the expiration of every three years any of His Majesty's Ships shall be in Commission, the Captain or Commander of such Ship may send to the Admiralty the name or names of any Petty-Officer or Seaman, or Non-Commissioned Officer or Private of Marines, (not exceeding in number one for every hundred of the Crew,) who may be on board such Ship, having served *above twenty-one years*, who shall have behaved invariably well in such Ship, and be in possession of Certificates of good conduct throughout his former service, and be in the Captain's opinion in every respect deserving to be so rewarded: when the Person or Persons so reported by the Captain or Commander shall be paid a Gratuity, in addition to all other allowances, of Fifteen Pounds if a 1st Class Petty-Officer, or Sergeant of Marines, of Seven Pounds if a 2nd Class Petty-Officer, or Corporal of Marines, and of Five Pounds if an Able Seaman, or Private of Marines; but to

entitle the 1st Class Petty-Officer, or Sergeant of Marines, to the Fifteen Pounds, he must have served as such Ten years, and to entitle the 2nd Class Petty-Officer, or Corporal of Marines, to the Seven Pounds, he must have served Seven years as such, otherwise they can only be paid as Able Seamen, or Privates of Marines. And all men receiving the said Gratuity will be afterwards entitled to wear a Silver Medal the size of a half-crown, at the third button-hole of their jackets, having on one side of it the words "For Long Service and Good Conduct," and on the other "an Anchor and Crown."

**REGULATIONS FOR THE ADMISSION OF STUDENTS INTO THE ROYAL NAVAL COLLEGE AT PORTSMOUTH.**

The Number of Students in the Royal Naval College is not to exceed One Hundred in time of War, nor Eighty in Peace, of whom one half are to be the Sons of Commissioned Officers of the Navy or Army, and the other half of Civilians.

The Sons of Officers hereafter admitted will be required to pay for Board and Education as follows:—

Of Flag and General Officers.....	80l.
Captains of the Navy, Colonels, and Lieutenant-Colonels.....	70l.
Of Commanders, and all below that rank, and Majors.....	50l.

The Sons of Officers, of whatever rank in either service, who have lost their fathers, 40l. per annum; and the Sons of Officers, of whatever rank, whose fathers have died in actual service, and whose families have been left in pecuniary distress, 20l. per annum.

The Sons of Civilians are to pay the sum of 125l. per annum.

No Candidate shall be eligible for admission to the Naval College, until he has attained the age of 12 years, nor after he has completed that of 18 years.

Every Candidate for admission must, at the

time of his application, transmit to the Secretary of the Admiralty, a Certificate of the day of his birth, and immediately on his attaining the age of 12 years he must also transmit a Certificate of his good moral conduct from the Master or person under whom he was last instructed; or if he has used the sea, from the Captain under him whom he last served. No Candidate will be considered eligible, nor will the order for his admission be given in any case, until both Certificates are lodged at the Admiralty.

Every Candidate for admission will be expected to know perfectly the first four rules of arithmetic, Reduction, and the Rule of Three.

He will be expected also to be able to write English from dictation, and to construct English sentences.

And it is recommended that every Candidate should have in his memory the definitions, axioms, and postulates, in the beginning of Euclid's Elements, by R. SIMSON.

The parents or friends of every Student shall pay in to the Office of the Accountant-General of the Navy in London, the amount of the sum that may be due at every vacation, either before the next succeeding meeting of the College, or within one month after such meeting; in default of which the Student's time of servitude will not be allowed to go on.

Every Student, at the end of two years, shall be discharged into one of His Majesty's ships, not being a guard ship; and the time of residence in the College shall be reckoned as not more than one year's service at sea, or as such portion of one year's service at sea as may be proportioned to the progress, which he shall actually have made in his education—the time so allowed to be certified by the Officers appointed to examine the Students on their leaving College; and the remaining five years necessary to qualify the Student for the commission of Lieutenant to be actually passed at sea, or in a sea-going ship.

Any Student, whose conduct shall be such as to render his expulsion from the College necessary, will never be allowed to enter into His Majesty's naval service.

The parents and guardians of such young gentlemen as may be admitted into the Naval College, are particularly desired to take notice, that, at the expiration of two years, all Students will be discharged from the College, into such of His Majesty's ships and vessels, as the Lords Commissioners of the Admiralty shall think fit; and that when such ships are paid off, those who have attained the rating of Midshipmen will not be re-appointed by their Lordships to other ships, but must apply to Captains or Commanders in Commission for such re-appointment, in order to complete the remainder of their servitude to qualify them for the commission of Lieutenant:—In consequence of which arrangement, no bond will in future be required that such Students shall not be withdrawn or discharged at their own request from the naval service.

*Admiralty, 18th December, 1833.*

**Art. 8.**—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority: but, in the event of there being more Admiralty or College Midshipmen unemployed than can be provided for under the regulation in the foregoing article, their Lordships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

**Art. 4.**—The numbers of Volunteers of the 1st Class, and of College Volunteers, in each Rate, are in future to be as follows: and the former may be appointed by the Captains and Commanders of His Majesty's Ships, on obtaining the approbation of the Lords Commissioners of the Admiralty.

**Art. 6.**—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, *they may be rated and borne as Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen: but their vacancies are not to be filled up in the Volunteers' Class so long as they remain Extra Midshipmen.

**Art. 7.**—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-

in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

**Art. 8.**—A Return from every Ship, according to the established form, is to be transmitted quarterly to this Office, through the several Commanders-in-Chief, of the Mater, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

**Art. 9.**—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief: but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief, without reference to their Lordships.

**Art. 10.**—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

*Payable Quarterly.*

*Admiralty, June 22, 1831.*

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time; (stating the date their last letter of leave) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid during any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1832, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

*Admiralty, 20th April, 1830.*

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

J. W. CROKER.

*Admiralty, 4th January, 1811.*

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

Admiralty, 17th January, 1825.

In pursuance of His Majesty's Order in Council of the 20th November, 1824, Notice is hereby given, that all Officers of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Affidavit, the Place of their residence at the date of each Affidavit.

J. W. CROKER.

Navy Pay Office, 18th January, 1825.

By Order of the Admiralty, after a reasonable lapse of time for the promulgation of the above Notice, no Affidavit is to be received which shall not have the Officer's Residence stated thereon, as above directed.

By the Order in Council of the 18th December, 1824, Affidavits for Half-Pay can only be made before the under-mentioned Officers, named in the Act of St George I. cap. 25, sec. 1 and 10.

One of the Commissioners or Secretaries of the Admiralty,

Superintendents of the Dock-yards, Victualling and Medical Establishments, or A Justice of the Peace or Magistrate.

Officers residing abroad must make their Affidavit before one of his Majesty's Ministers, Secretary of Embassy or Legation, or Consul; or where there shall be such Minister, &c., before some Magistrate, or other Person competent to take Oaths in such Places; and the Address must be given at the foot of the Signature to the Affidavit.

N.B. Affidavits taken before Masters Extraordinary in Chancery cannot be admitted; and the Officers should be careful, that any Justice of the Peace or Magistrate of a Town or Corporation, attesting the Affidavit, should sign himself as such.

JOHN SMITH, Paymaster of the Navy.

Admiralty, 11th January, 1825.

To avoid the inconvenience and delay which has sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Affidavits; the Commissioners and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit

their Affidavits to such Agents within Ten Days after most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

GEORGE ELLIOT.

Admiralty, 15th November, 1835.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows, viz.

- 1st Class.—Pursers, Masters, and Surgeons.
- 2d Class.—Lieutenants at Sea, and under.
- 3d Class.—Lieutenants at Sea, and 7s.; and Chaplains.
- 4th Class.—Admirals, Captains, and Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their affidavits should be delivered into the Wages-Office, at the Admiralty Office, Somerset-House, or forwarded to the Secretary of the Admiralty, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their affidavits as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Arrangements are in progress which it is expected will admit of the payment of Half-Pay always commencing on the tenth day after the end of each quarter, instead of at the uncertain and more distant periods heretofore customary—of which, however, due notice will be given when the next quarter's Half-Pay is advertised.

By command of their Lordships,

JOHN BARRON.

CHAPLAINS.

Regulations under His Majesty's Order in Council of 31 July, 1835, for the admission of Chaplains into His Majesty's Naval Service:—

And We do hereby further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And We do hereby further direct, that when such lists shall have been duly examined with

the muster books of such ships or vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated and appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall otherwise be aiding and assisting to the said agents, in all such matters as shall be necessary.

And We do direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be final and have the same force and effect as if specially provided for in this Our Royal Proclamation.

Provided always, and We do hereby direct, that the distribution herebefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We do hereby, lastly, direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which will be made after that day, and shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said former Proclamation and Order respectively.

Given at Our Court at St. James's, the Nineteenth day of March, one thousand eight hundred and thirty-four, and in the fourth year of our reign.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

*Art. 2.*—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for wounds or hurts received in Action, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings *per diem*; but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence *per diem*: if able to contribute in a small degree to his livelihood,

from Ninepence to One Shilling *per diem*: and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

*Art. 3.*—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Twopence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than three years at any time.

*Art. 4.*—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

*Art. 5.*—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of injury or debility, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

*Art. 6.*—In any of the cases in Articles 3, 4, and 5, if any Man shall become totally blind, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

Quartermaster-Serjeants, and Serjeant-Majors, who have served Three Years and upwards, and discharged with those Ratings after Twenty-one Years Service, Twopence per diem, in addition to whatever Pensions they may be entitled to.

Art. 9.—Persons discharged with disgrace, or for offences, or by sentence of a Court-Martial, are not entitled to any Pension; and all Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the Pensioner, to be judged of by the Lords Commissioners of the Admiralty; and if any Deserter shall be re-taken, or shall re-enter His Majesty's Service, he shall commence a new time from such re-entry, and shall not be entitled to reckon any time preceding such desertion or running.

Art. 10.—All Men invalided from His Majesty's Service, whether Pensioners or not, who re-enter the Service, must produce their Invaliding Certificates or Pension Tickets, at the time of their re-entry, to the Captain and Surgeon of the Ship, in order that their cases may be fully known; and if they neglect to do this, or do not assign a sufficient reason for not doing so, they forfeit all claim to an increase of Pension for subsequent service.

Art. 11.—All claims to Pensions should be brought forward before the expiration of Six Months after the Individual is discharged from His Majesty's Service.

Art. 12.—Pensioners who shall not have been discharged as wholly incapable, or for having served Twenty-one years or upwards, or whose age shall not exceed Fifty years, may forfeit their Pensions by neglecting or omitting to attend at such Port or place, and at such time, as shall, in time of War, or in prospect of a

War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the Admiralty, or by neglecting or refusing to serve his Majesty in such manner as to the said Lords Commissioners may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by the said Lords Commissioners.

As a further encouragement to good Men to continue in the Service, and to behave with propriety, His Majesty has been pleased to command, that at the expiration of every three years any of His Majesty's Ships shall be in Commission, the Captain or Commander of such Ship may send to the Admiralty the name or names of any Petty-Officer or Seaman, or Non-Commissioned Officer or Private of Marines, (not exceeding in number one for every hundred of the Crew,) who may be on board such Ship, having served *above twenty-one years*, who shall have behaved invariably well in such Ship, and be in possession of Certificates of good conduct throughout his former service, and be in the Captain's opinion in every respect deserving to be so rewarded; when the Person or Persons so reported by the Captain or Commander shall be paid a Gratuity, in addition to all other allowances, of Fifteen Pounds if a 1st Class Petty-Officer, or Sergeant of Marines, or Seven Pounds if a 2nd Class Petty-Officer, or Corporal of Marines, and of Five Pounds if an Able Seaman, or Private of Marines; but to

entitle the 1st Class Petty-Officer, or Sergeant of Marines, to the Fifteen Pounds, he must have served as such Ten years, and to entitle the 2nd Class Petty-Officer, or Corporal of Marines, to the Seven Pounds, he must have served Seven years as such, otherwise they can only be paid as Able Seamen, or Privates of Marines. And all men receiving the said Gratuity will be afterwards entitled to wear a Silver Medal the size of a half-crown, at the third button-hole of their jackets, having on one side of it the words "For Long Service and Good Conduct," and on the other "an Anchor and Crown."

## MEMORANDUM.

Admiralty, 21st Aug. 1833.

With reference to the 12th Article of His Majesty's Order in Council of the 24th August, 1831, authorizing the Captains and Commanders of His Majesty's ships to recommend certain of the crew for gratuities and medals, under the limitations therein specified; my Lords Commissioners of the Admiralty are pleased to direct that, on a ship being ordered to be paid off, the Captain or Commander of such ship shall immediately transmit to the Commander in Chief, for the purpose of being forwarded to their Lordships' Secretary, a list containing the names of such men as they consider best entitled to the rewards in question, together with lists of the ships in which they have served, in order that the medals may be forwarded to the Captain or Commander of the ship; and their Lordships further direct, that the said medals be presented, by the Captain or Commander, to the men entitled to the same, in the presence of the whole ship's company, the last thing prior to the ship being paid off.

By Command of their Lordships,  
GEORGE ELLIOT.

## MEMORANDUM.

Admiralty, 4th Nov. 1831.

By Command of their Lordships,  
GEORGE ELLIOT.

The other restrictions specified in the said Article continue in force.

By command of their Lordships,  
GEORGE ELLIOT.

**REGULATIONS FOR THE ADMISSION OF STUDENTS INTO THE ROYAL NAVAL COLLEGE AT PORTSMOUTH.**

The Number of Students in the Royal Naval College is not to exceed One Hundred in time of War, nor Eighty in Peace, of whom one half are to be the Sons of Commissioned Officers of the Navy or Army, and the other half of Civilians.

The Sons of Officers hereafter admitted will be required to pay for Board and Education as follows:— Per annum.

Of Flag and General Officers ..... 80l.

Captains of the Navy, Colonels, and Lieutenant-Colonels ..... 70l.

Of Commanders, and all below that rank, and Majors ..... 50l.

The Sons of Officers, of whatever rank in either service, who have lost their fathers, 40l. per annum; and the Sons of Officers, of whatever rank, whose fathers have died in actual service, and whose families have been left in pecuniary distress, 20l. per annum.

The Sons of Civilians are to pay the sum of 125l. per annum.

No Candidate shall be eligible for admission to the Naval College, until he has attained the age of 13 years, nor after he has completed that of 18 years.

Every Candidate for admission must, at the

time of his application, transmit to the Secretary of the Admiralty, a Certificate of the day of his birth, and immediately on his attaining the age of 12 years he must also transmit a Certificate of his good moral conduct from the Master or person under whom he was last instructed; or if he has used the sea, from the Captain under him whom he last served. No Candidate will be considered eligible, nor will the order for his admission be given in any case, until both Certificates are lodged at the Admiralty.

Every Candidate for admission will be expected to know perfectly the first four rules of arithmetic, Reduction, and the Rule of Three.

He will be expected also to be able to write English from dictation, and to construct English sentences.

And it is recommended that every Candidate should have in his memory the definitions, axioms, and postulates, in the beginning of Euclid's Elements, by R. SIMSON.

The parents or friends of every Student shall pay in to the Office of the Accountant-General of the Navy in London, the amount of the sum that may be due at every vacation, either before the next succeeding meeting of the College, or within one month after such meeting; in default of which the Student's time of servitude will not be allowed to go on.

Every Student, at the end of two years, shall be discharged into one of His Majesty's ships, not being a guard ship; and the time of residence in the College shall be reckoned as not more than one year's service at sea, or as such portion of one year's service at sea as may be proportioned to the progress, which he shall actually have made in his education—the time so allowed to be certified by the Officers appointed to examine the Students on their leaving College; and the remaining five years necessary to qualify the Student for the commission of Lieutenant to be actually passed at sea, or in a sea-going ship.

Any Student, whose conduct shall be such as to render his expulsion from the College necessary, will never be allowed to enter into His Majesty's naval service.

The parents and guardians of such young gentlemen as may be admitted into the Naval College, are particularly desired to take notice, that, at the expiration of two years, all Students will be discharged from the College, into such of His Majesty's ships and vessels, as the Lords Commissioners of the Admiralty shall think fit; and that when such ships are paid off, those who have attained the rating of Midshipmen will not be re-appointed by their Lordships to other ships, but must apply to Captains or Commanders in Commission for such re-appointment, in order to complete the remainder of their servitude to qualify them for the commission of Lieutenant.—In consequence of which arrangement, no bond will in future be required that such Students shall not be withdrawn or discharged at their own request from the naval service.

*Admiralty, 18th December, 1833.*

**REGULATIONS FOR THE ENTRY AND RATING OF YOUNG GENTLEMEN AND CAPTAINS' CLERKS, ON BOARD HIS MAJESTY'S SHIPS AND VESSELS ON THE PEACE ESTABLISHMENT.**

**Article 1.**—The complements of Mates and Midshipmen in His Majesty's Ships and Vessels of each Rate are to be as follows:—

**Art. 2.**—The Captains and Commanders of His Majesty's Ships and Vessels are to select and enter the established number of Mates and Midshipmen, on the first commissioning of their respective Ships or Vessels, as heretofore, obtaining the previous approval of the Lords Commissioners of the Admiralty, and observing that in the several Rates, the following numbers, viz.

1st Rates .....	3

3d Rates .....	3
4th, 5th, and 6th Rates .....	4

Cutters, Gun-Brigs, &c. ....	1
Guard Ships .....	4

are to be selected from among the Mates who have passed both examinations, if serving at home, or for seamanship, if serving abroad, one complete year—from College Midshipmen; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to Mates or Midshipmen forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

**Art. 3.**—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority: but, in the event of there being more Admiralty or College Midshipmen unemployed than can be provided for under the regulation in the foregoing article, their Lordships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

**Art. 4.**—The numbers of Volunteers of the 1st Class, and of College Volunteers, in each Rate, are in future to be as follows: and the former may be appointed by the Captains and Commanders of His Majesty's Ships, on obtaining the approbation of the Lords Commissioners of the Admiralty.

	Vol.	Coll.

Guard Ships .....	3	0
10-Gun Brigs .....	0	1

**Art. 5.**—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

**Art. 6.**—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, they may be rated and borne as *Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen: but their vacancies are not to be filled up in the Volunteers' Class so long as they remain *Extra Midshipmen*.

**Art. 7.**—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-

in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

**Art. 8.**—A Return from every Ship, according to the established form, is to be transmitted quarterly to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said Classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

**Art. 9.**—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief: but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief, without reference to their Lordships.

**Art. 10.**—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

GEORGE ELLIOT.

Ships now in commission are not to be allowed any fresh entry of Volunteers into the Service.

By command of their Lordships,

JOHN BARROW.

<i>Payable Quarterly.</i>	

*Admiralty, June 22, 1821.*

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (*stating the date their last letter of leave bore*) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

*Admiralty, 20th April, 1830.*

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

J. W. CROKER.

*Admiralty, 4th January, 1811.*

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

To avoid the inconvenience and delay which  
have sometimes occurred in the payment of Naval  
Half-pay by the irregular transmission of Decla-  
rations; the Commissioned and Warrant Officers  
of his Majesty's Navy, residing within the  
United Kingdom, and receiving their Half-pay  
through Agents, are hereby desired to transmit  
their Declarations to such Agents within Ten  
Days at most after the expiration of each Quar-  
ter, so as to enable the Agent to receive the  
amount due on the Days regularly appointed for  
the Payment of the respective Ranks.

CHARLES WOOD.

*Admiralty, 15th November, 1835.*

#### TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commis-  
sioners of the Admiralty hereby give notice,  
that in future the rotation in which Half-Pay  
will be paid to Officers will be as follows:—

- 1st Class.—Pursers.  
Masters.  
Surgeons.  
2d Class.—Lieutenants at 5s. and under.  
3d Class.—Lieutenants at 6s. and 7s. ; and  
Chaplains.  
4th Class.—Admirals.  
Captains.  
Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Wages-Office, at the Admiralty Office, Somerset-House, or forwarded to the Secretary of the Admiralty, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Arrangements are in progress which it is expected will admit of the payment of Half-Pay always commencing on the tenth day after the end of each quarter, instead of at the uncertain and more distant periods heretofore customary—of which, however, due notice will be given when the next quarter's Half-Pay is advertised.

By command of their Lordships,  
JOHN BARROW.

#### CHAPLAINS.

*Regulations under His Majesty's Order in Council of 21 July, 1835, for the admission of Chaplains into His Majesty's Naval Service :—*

CHARLES WOOD.

*Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 21st July, 1835.*

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years service at sea; that I have not between the day of \_\_\_\_\_ and the day of \_\_\_\_\_ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum.

the muster books of such ships or vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated and appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall otherwise be aiding and assisting to the said agents in all such matters as shall be necessary.

And We do direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be final and have the same force and effect as if specially provided for in this Our Royal Proclamation.

Provided always, and We do hereby direct, that the distribution hereinbefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We do hereby, lastly, direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which will be made after that day, and shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said former Proclamation and Order respectively.

belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

I, A. B., am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different

Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

### GREENWICH OUT PENSIONS.

#### REGULATIONS FOR GRANTING OUT-PENSIONS FROM GREENWICH HOSPITAL, TO THE WARRANT AND PETTY OFFICERS HEREIN MENTIONED, AND TO SEAMEN AND ROYAL MARINES, ESTABLISHED BY HIS MAJESTY'S ORDER IN COUNCIL OF 24 AUGUST, 1831.

**Article 1.**—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Gunner, Boutawain, and Carpenter (when not entitled to Superannuation), Mate, Midshipman, Master's-Assistant, Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from His Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, *per diem*, according to the bodily injury sustained by the party.

**Art. 2.**—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for *wounds or hurts received in Action*, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings *per diem*; but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence *per diem*; if able to contribute in a small degree to his livelihood,

from Ninepence to One Shilling *per diem*; and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

**Art. 3.**—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than three years at any time.

**Art. 4.**—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for *sickness or debility contracted in the Service*, or for *wounds or hurts received in it* by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

**Art. 5.**—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of *disability contracted in the service*, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of *injury or debility*, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

**Art. 6.**—In any of the cases in Articles 3, 4, and 5, if any Man shall become *totally blind*, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

**Art. 7.**—An Ordinary Seaman shall receive three-fourths, a Landsman two-thirds, and a Boy one-half of the Pensions or Allowances

erely assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

**Art. 8.**—The following Petty and Non-Commissioned Officers, in addition to the Rates of

Pension to which they may be entitled under Articles 2, 3, 4, and 6, as Seamen, or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz.:—

With reference to the 12th Article of His Majesty's Order in Council of the 24th August, 1831, authorizing the Captains and Commanders of His Majesty's ships to recommend certain of the crew for gratuities and medals, under the limitations therein specified; my Lords Commissioners of the Admiralty are pleased to direct that, on a ship being ordered to be paid off, the Captain or Commander of such ship shall immediately transmit to the Commander in Chief, for the purpose of being forwarded to their Lordships' Secretary, a list containing the names of such men as they consider best entitled to the rewards in question, together with lists of the ships in which they have served, in order that the medals may be forwarded to the Captain or Commander of the ship; and their Lordships further direct, that the said medals be presented, by the Captain or Commander, to the men entitled to the same, in the presence of the whole ship's company, the last thing prior to the ship being paid off.

By Command of their Lordships,

GEORGE ELLIOT.

#### MEMORANDUM.

*Admiralty, 4th Nov. 1831.*

With reference to the 3rd Article of the Regulations for granting Pensions from Greenwich Hospital, the limitation of Twenty-one Years' Service, reckoning from the age of Twenty, shall be considered applicable only to the case of such Seamen and Marines as shall have entered the Service on or after the 1st January, 1832.

By Command of their Lordships,  
GEORGE ELLIOT.

The other restrictions specified in the said Article continue in force.

**REGULATIONS FOR THE ADMISSION OF STUDENTS INTO THE ROYAL NAVAL COLLEGE AT PORTSMOUTH.**

The Number of Students in the Royal Naval College is not to exceed One Hundred in time of War, nor Eighty in Peace, of whom one half are to be the Sons of Commissioned Officers of the Navy or Army, and the other half of Civilians.

The Sons of Officers hereafter admitted will be required to pay for Board and Education as follows:—

Of Flag and General Officers .....	80 <i>l</i> .
Captains of the Navy, Colonels, and Lieutenant-Colonels .....	70 <i>l</i> .
Of Commanders, and all below that rank, and Majors.....	50 <i>l</i> .

The Sons of Officers, of whatever rank in either service, who have lost their fathers, 40*l*. per annum; and the Sons of Officers, of whatever rank, whose fathers have died in actual service, and whose families have been left in pecuniary distress, 30*l*. per annum.

The Sons of Civilians are to pay the sum of 125*l*. per annum.

No Candidate shall be eligible for admission to the Naval College, until he has attained the age of 12 years, nor after he has completed that of 18 years.

Every Candidate for admission must, at the

time of his application, transmit to the Secretary of the Admiralty, a Certificate of the day of his birth, and immediately on his attaining the age of 12 years he must also transmit a Certificate of his good moral conduct from the Master or person under whom he was last instructed; or if he has used the sea, from the Captain under him whom he last served. No Candidate will be considered eligible, nor will the order for his admission be given in any case, until both Certificates are lodged at the Admiralty.

Every Candidate for admission will be expected to know perfectly the first four rules of arithmetic, Reduction, and the Rule of Three.

He will be expected also to be able to write English from dictation, and to construct English sentences.

And it is recommended that every Candidate should have in his memory the definitions, axioms, and postulates, in the beginning of Euclid's Elements, by R. SIMSON.

The parents or friends of every Student shall pay in to the Office of the Accountant-General of the Navy in London, the amount of the sum that may be due at every vacation, either before the next succeeding meeting of the College, or within one month after such meeting; in default of which the Student's time of servitude will not be allowed to go on.

Every Student, at the end of two years, shall be discharged into one of His Majesty's ships, not being a *gunned ship*; and the time of residence in the College shall be reckoned as not more than one year's service at sea, or as such portion of one year's service at sea as may be proportioned to the progress, which he shall actually have made in his education—the time so allowed to be certified by the Officers appointed to examine the Students on their leaving College; and the remaining five years necessary to qualify the Student for the commission of Lieutenant to be actually passed at sea, or in a *sea-going ship*.

Any Student, whose conduct shall be such as to render his expulsion from the College necessary, will never be allowed to enter into His Majesty's naval service.

The parents and guardians of such young gentlemen as may be admitted into the Naval College, are particularly desired to take notice, that, at the expiration of two years, all Students will be discharged from the College, into such of His Majesty's ships and vessels, as the Lords Commissioners of the Admiralty shall think fit; and that when such ships are paid off, those who have attained the rating of Midshipmen will not be re-appointed by their Lordships to other ships, but must apply to Captains or Commanders in Commission for such re-appointment, in order to complete the remainder of their servitude to qualify them for the commission of Lieutenant:—In consequence of which arrangement, no bond will in future be required that such Students shall not be withdrawn or discharged at their own request from the naval service.

*Admiralty, 18th December, 1832.*

**REGULATIONS FOR THE ENTRY AND RATING OF YOUNG GENTLEMEN AND CAPTAINS' CLERKS, ON BOARD HIS MAJESTY'S SHIPS AND VESSELS ON THE PEACE ESTABLISHMENT.**

*Article 1.*—The complements of Mates and Midshipmen in his Majesty's Ships and Vessels of each Rate are to be as follows:—

4th and 5th Rates.....	10

6th Rates .....	8

Cutters, Gun-Brigs, &c. ....	2
Guard Ships .....	8

**Art. 2.**—The Captains and Commanders of His Majesty's Ships and Vessels are to select and enter the established number of Mates and Midshipmen, on the first commissioning of their respective Ships or Vessels, as heretofore, obtaining the previous approval of the Lords Commissioners of the Admiralty, and observing that in the several Rates, the following numbers, viz.

1st Rates .....	8
2d Rates .....	8
3d Rates .....	5
4th, 5th, and 6th Rates .....	4
Sloops .....	1
Cutters, Gun-Brigs, &c. ....	1
Guard Ships .....	4

are to be selected from among the Mates who have passed both examinations, if serving at home, or for seamanship, if serving abroad, one complete year—or from College Midshipmen; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to Mates or Midshipmen forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

**Art. 3.**—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority; but, in the event of there being more Admiralty or College Midshipmen unemployed than can be provided for under the regulation in the foregoing article, their Lordships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

**Art. 4.**—The numbers of Volunteers of the 1st Class, and of College Volunteers, in each Rate, are in future to be as follows; and the former may be appointed by the Captains and Commanders of His Majesty's Ships, on obtaining the approbation of the Lords Commissioners of the Admiralty.

	1st Class.	Vol.
1st and 2d Rates, Sea-going Ships	3	6
3d Rates .....	2	5
4th and 5th Rates .....	2	4
6th Rates and Sloops with 115 men	1	3
Guard Ships .....	3	0
10-Gun Brigs .....	0	1

**Art. 5.**—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

**Art. 6.**—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, they may be rated and borne as *Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen; but their vacancies are not to be filled up in the Volunteers' Class so long as they remain *Extra Midshipmen*.

**Art. 7.**—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-

in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

**Art. 8.**—A Return from every Ship, according to the established form, is to be transmitted *quarterly* to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be *paid off*, a similar Return is to be *immediately made*, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

**Art. 9.**—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief; but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief, without reference to their Lordships.

**Art. 10.**—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

GEORGE ELLIOT.

Ships now in commission are not to be allowed any fresh entry of Volunteers into the Service.

By command of their Lordships,

JOHN BARROW.
